

AMPLITUDE FINAL WORKSHOP

Location: Microsoft Teams - [Join the meeting](#)

Date: Friday 29th November

Time: 2pm – 5pm CET

Agenda Items

Time (CET)	Agenda Item	Speaker
	Improving the detection and monitoring of bladder cancer	
14:00	Deep tissue imaging at 1700nm	ICFO
14:30	Metabolomic analysis of bladder cancer models	University of Milano Bicocca
15:00	Molecular characterisation of bladder cancer models using Raman spectroscopy	Consiglio Nazionale delle Ricerche
	New enabling technologies	
15:30	The Amplitude multi-modal microscope	FEMTONICS
16:00	The Amplitude multi-modal endoscopic probe	WEINERT
	System demonstrations	
16:30	Imaging bladder biopsies under the microscope	University of Florence
16:45	Deep tissue imaging with the Amplitude probe	ICFO
